The Worldview and Methodology of Xi Jinping Thought on Socialism With Chinese Characteristics for a New Era Dialectical Relationship Basic Meaning and Practical Direction

ZHOU Xiang-jun PANG Fu-ling

School of Marxism Shandong University Jinan Shandong 250100

Abstract: Grasping the worldview and methodology of Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era requires correct understanding and handling the relationship between worldview and methodology—the relationship between the worldview and methodology of Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era and the worldview and methodology of Marxism—and the excellent traditional Chinese culture—and so on. To understand its basic meaning from different dimensions—it is necessary to putting the people first—maintaining self-confidence and self-reliance—cherishing integrity and innovation—problem orientation—systematic thinking—and embracing the world. The worldview and methodology of Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era have strong practical orientation. On the basis of learning and making good use of Marxist philosophy—we should constantly promote the modernization of Marxism in China in the two combinations—and provide action guidelines for the new journey to adapt Marxism to the Chinese context and the needs of our times.

Key words: Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era Worldview and Methodology Dialectical Relationship Basic Meaning Practice Oriented
